

German Garden Party

Meet your neighbors, learn some beginner German, fundraise in support of the [#LittleFreeLibrary](#) being built in the south end of Guayabitos.

A series of three informal, laid-back, 1-hour "getting started with German" lessons. (Or a chat / "Kaffee Klatsch" w/ other German Speakers, depending on interest and skill level!)

Come enjoy refreshments at Casa Abierta, and learn a few simple phrases in a new language, along with a touch of the German culture, while we learn more about each other.

Dates:

- Tuesday, Nov 29 @ 10 am
- Saturday, Dec 3 @ 10 am
- Tuesday, Dec 6 @ 10 am

(If there is sufficient interest, we may continue in the new year, or start up a new series of three)

Suggested Min. Donation:

\$100 pesos each session, or pay for all three up front for \$250 (note, if you can afford and want to give more, please do, and if you can't afford this but want to participate, please let me know and we'll figure something out. Everyone should get to join in if they want to!!)

Interested?
